Creative Front-End Developer offering 9+ years of experience

EXPERIENCES

DP TECHNOLOGY CORP., CAMARILLO, CA
Front End Developer, September 2015 – Present

- Manage website development projects from initial design through completion, optimizing all cross-browser and multi-platform compatibility.
- Work closely with programmers and clients to meet project requirements, goals, and desired functionality.
- Develop and integrate customized themes into WordPress, PHP-Fusion, and Concrete5.
- Conduct training for clients on handling website content management systems.
- Enable site-wide promotions by programming HTML5 canvases to animate particles on web backgrounds.

VOKO COMMUNICATIONS, PLANO, TX
Front End Developer, June 2011 – August 2015

- Developed websites from front to backend using PHP, JavaScript, and HTML.
- Enhanced user experience and accomplish webpage objectives by creating site structure, navigation, page optimization, and graphics integration.
- Designed and maintained both corporate and client websites, using scripting languages and content management systems including WordPress.
